

Personal hygiene card

Print this and keep it by the handwash basin. Check every item at the start of each shift.

Before you start

- ☐ Hands washed for at least 20 seconds, dried with a single-use towel
- ☐ Clean uniform and apron; apron removed before leaving the food area
- ☐ Hair fully covered; beard snood worn where required
- ☐ No watch, no rings other than a plain band, no nail polish
- ☐ Cuts covered with a blue detectable plaster

During the shift

- ☐ Re-wash after breaks, the toilet, waste, raw meat, or touching your face or phone
- ☐ Change gloves as often as you would wash your hands — gloves are not a substitute
- ☐ Never taste with a used spoon; never blow into a bag
- ☐ Chilled food below 5 degrees C, frozen below -18 degrees C
- ☐ Log display-fridge temperatures at shift start and hand the sheet to your team leader

Report immediately

- ☐ Vomiting or diarrhoea in the last 48 hours — do not handle open food
- ☐ Infected skin, eye, ear, nose or throat conditions
- ☐ A fridge reading warm, or chilled stock left out on the dock
